Presented by Central City Concern & Steve Steckly

April 5, 2007 - show opens; opening reception 6 - 9 pm

April 20, 2007 - show closes

Venue - 32 NW 5th Avenue

Using photography to facilitate a journey of discovery and transformation, Portland photographer Steve Steckly collaborates with Community Engagement Program participants to communicate their experiences of recovery from homelessness, drug addiction, and mental illness. VISION QUEST is the culmination of a 10-week workshop in which participants were given a camera to learn the fundamentals of photography. The images created by them communicate their unique vision.

The real voyage of discovery consists not in seeking new
landscapes but in having new eyes.
