

# 16 x BURNSIDE RECOVERY CENTER

The 16 x Burnside Recovery Center (16 x Burn) opened its doors in May 2025, offering a 74-bed residential treatment center dedicated to adults living with substance use disorder (SUD) and mental health conditions. Filling a critical gap in Portland's recovery continuum, it supports people exiting Hooper who need extended treatment before transitioning to recovery-supportive housing, and those preparing for SUD intensive outpatient care.

This drug- and alcohol-free center offers trauma-informed, culturally responsive care tailored to each person's needs. By providing a gender- and culturally inclusive environment with wraparound services, 16 x Burn offers a safe space where clients can heal, rebuild their lives, and gain the stability to take their next step toward lasting recovery.

## Services

- Behavioral health and medical services offered 7 days per week.
- Onsite primary care clinic and care coordination with local providers.
- Basic necessities provided, including meals, towels, and bedding; clothing, shoes, and hygiene supplies also available for clients who need them.
- Daily nutritious meals and snacks, with options to accommodate dietary needs.
- Peer mentor and case management services focused on skill building and community reintegration.
- Once ready, clients receive community re-integration services (e.g. housing and employment) to ensure ongoing post-treatment support.

## Operational Details

- Average length of stay: 3-4 months.
- Residents voluntarily consent to treatment, program rules/expectations, and restricted visitation hours.
- 68 full-time employees with 24-hour staff presence and site monitoring.
- Residential rooms (single and double occupancy), interview rooms, community and group spaces, including a sensory room and recreational space.
- Staff or approved recovery support members accompany clients when leaving the facility (supported transportation provided as needed).

## Admission Information

- **Referrals:** Are received from Hooper, the Multnomah County withdrawal management continuum, and culturally specific programs.
- **Preparing for Your Stay:** Visit the 16 x Burnside Recovery Center page on the CCC website to learn more about what to expect during your stay and how to prepare.
