

CENTRAL CITY CONCERN

HOMES HEALTH JOBS

Helping those struggling with life's biggest problems to end or avoid homelessness and build healthy, housed, resilient and engaged lives.

About Us

Located in Portland, Oregon, Central City Concern (CCC) provides a comprehensive continuum of affordable housing options integrated with direct social services including health care, recovery and employment. Founded in 1979, CCC serves more than 13,000 people annually, with an annual operating budget of \$100 million and a staff of 1,200. Up to 30,000 people across the tri-county region are affected by homelessness.

What We Do

In 2022, CCC helped 13,559 people (unduplicated number) experiencing or at risk for homelessness with affordable and supportive housing, integrated health services, addiction recovery and employment assistance.

Who We Serve

CCC serves single adults and families in the Portland metro area who are impacted by homelessness, poverty and substance use disorder.

The Community Volunteer Corps (CVC) program changes lives. The CVC is a volunteer program providing individuals in CCC housing the opportunity to build skills to ease their transition into the workforce. After graduation, participants can begin working with an employment specialist from CCC's Employment Access Center who help our graduates obtain employment.
