Cambridge Court Pre-Application: Project-Based Section 8

Property Selection

Central City Concern (“CCC”) recognizes the unique barriers experienced by homeless families in transitioning from homelessness and addiction into stable, permanent housing. Applicants are notified about vacant or anticipated vacant units as they become available. CCC occupancy standards are maximum 2 persons per bedroom. Households exceeding this will not be eligible. The subsidy program for which you are applying may impose additional occupancy standards.

Cambridge Court is an Alcohol and Drug Free Community (ADFC) with Project-based Section 8 units and applicants must meet certain criteria to become tenants in the building. Further, the Section 8 waitlist for this building grants preferences to persons meeting certain criteria as outlined in building criteria. I have read and understand the Section 8 building criteria for Cambridge Court:

Housing Administration notifies waitlist applicants when they near the top of the waitlist. Waitlist applicants must respond in person to Housing notification to avoid being removed from the waitlist. It is waitlist applicant’s responsibility to notify Housing of mailing address changes using the Address Change form for this building.

It is the waitlist applicant’s responsibility to review the Building Criteria and ensure they meet or will meet the criteria prior to move-in.

I certify the facts on this Pre-Application are true and complete. I understand that providing false or incomplete information will result in removal from the waitlist. I agree a complete investigation of all information reported on this Pre-Application and my subsequent application will not be an invasion of my privacy.
