

HANDS ACROSS THE BRIDGE 2021

*Recovery is for Everyone:
Every Person, Every Family, Every Community*

Join us as we celebrate National Recovery Month with our annual event, Hands Across the Bridge! This year's theme is Recovery is for Everyone: Every Person, Every Family, Every Community! We are all in this together!

This year, both the Oregon and Washington side will come together at Esther Short Park on the Washington side at 10am this year. We will not be on the bridge this year. The event will take place only in the park due to permitting and COVID safety issues.

It is encouraged that you bring hand sanitizer, please wear facemasks, follow CDC or state mandates, and practice social distancing. By attending this event, you accept all risks associated with being at a public gathering amid COVID-19 concerns.

Monday
Sept. 6, 2021
@ 10:00 am
