

Hill Park Referral Partner Agency List General (Fair Market units only)

Per the Hill Park Building Criteria section **4.e. Referral from a Preference Partner Agency/Program Without Designated Units**, Management will grant three (3) preference points when referred by a partner agency listed on the current Partner Agency – General list for the Hill Park. No more than three **(3) preference points** total will be provided, regardless of the number of referrals received by participating partners. Preference referrals may only be submitted when a waitlist is open.

Please note that Fair Market units at Hill Park are open to all eligible applicants regardless of program referral or preference. The following guidelines determine whether an Applicant receives preference points on the waitlist:

- Preference Points on the waitlist are only assigned to Applicants when a complete **Partner Agency Referral Form** is submitted to the Housing Office with a **Pre-application**. Both forms must be submitted at the same time.
 - Failure to submit a Pre-application will result in the Applicant not being placed on the waitlist. Partner Agency Referral Forms do not hold a position on the waitlist in any way.
- Only staff members of a **Referral Partner Agency** (see list below) may complete a Partner Agency Referral Form. The complete form may then be submitted by the Applicant. The staff member must be currently employed with the program at the time of signature.
- **Referral Partner Agency** staff may not provide referrals to applicants not currently affiliated with their program at time of signature.
