

Katherine Gray Partner Agency List (Fair Market units only)

Per the Katherine Gray Building Criteria section **4.d. Referral by a partner agency or program,** *“Management will grant an applicant (2) preference points when referred by a partner agency listed on the current Partner Agency List for the Katherine Gray. No more than (2) preference points total will be provided when criteria is met, regardless of the number of referrals provided.”*

Please note that Fair Market units at the Katherine Gray are open to all eligible applicants regardless of program referral or preference. The following guidelines determine whether an Applicant receives preference points on the waitlist:

- Preference Points on the waitlist are only assigned to Applicants when a complete **Partner Agency Referral Form** is submitted to the Housing Office and is paired with a **Pre-application**.
 - Failure to submit a Pre-application will result in the Applicant not being placed on the waitlist. Partner Agency Referral Forms do not hold a position on the waitlist in any way.
- Only staff members of a **Referral Partner Agency** (see list below) may complete a Partner Agency Referral Form. The complete form may then be submitted by the Applicant. The staff member must be currently employed with the program at the time of signature.
- The Applicant must be a client of the program at the time the Partner Agency Referral Form is signed to receive preference points.
 - Put another way, **Referral Partner Agency** staff may not provide referrals to applicants not currently affiliated with their program at time of signature.
- Preference referrals may only be submitted during an open waitlist period. The **Referral Partner Agency** cannot submit Partner Agency Referral Forms once a waitlist closes.
