New Community Input Center!

In your building you will see our new community input center. We have a new one form system. Please use the paper provided to give your feedback. There will be a place on the form to indicate whether you are submitting a resident report, a staff Kudos or a staff grievance. We want your feedback!

The image shows a graphic for the Community Input Center. At the top, it says "Community Input Center" with a logo of colorful houses. Below that, it says "Your feedback is important! We value your input on how we can improve the experience in CCC housing. We **grasp** and **will** relate against you for sharing feedback." The graphic is divided into four colored boxes: 1. "RESIDENT REPORT" (orange) with a house icon, describing concerns about other residents and how they are reviewed. 2. "GRIEVANCE" (blue) with a document icon, describing concerns about staff and how they are reviewed, including submission options (paper form, email, or phone). 3. "STAFF KUDOS" (green) with a handshake icon, describing praise for staff and how it is reviewed. 4. A dark red box with a document and box icon, asking to place completed forms in a drop box and noting they are collected daily by the Community Manager.
